The OHS Council and Work Safe Alberta present these awards to recognize Alberta organizations that rise above basic workplace health and safety standards through new ideas, strong leadership, or significant improvement.

Three Awards have been developed to recognize outstanding work being done by organizations and individuals in the province, and to encourage others to follow by their example.

- Workplace Health and Safety Innovation Award
- Workplace Health and Safety Leader Award
- Workplace Health and Safety Performance Improvement Award

Organizations or individuals may apply online for any of these awards.

Nominations run annually from early September until the middle of November.
